Subject Registration in the Astras partner portal

Dear Ladies and Gentlemen,
the Huf Group has introduced a new partner portal.

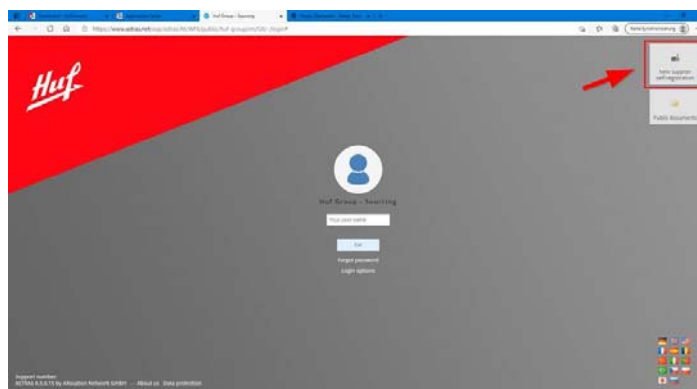

This portal is to replace and expand the existing portal in the future. It is intended to simplify master data management and serve as the basis for creating data in the ERP system. Enquiries / auctions will also be sent and evaluated with this system, which will also be used later for supplier evaluation. In order to guarantee this and to include you as a partner in the portal and later in the ERP system, we need you to register in the system. Since the portal is used for a wide range of applications, data such as VAT, bank details and contact persons are also requested in the registration.

Please open the link or copy the address into your browser.

[Huf Group - Sourcing \(astras.net\)](https://www.astras.net)

<https://www.astras.net/asp/astras.R6/WFE/public/huf-group/en/GB/-/login>

On the right hand side you will find a button "New supplier self-registration", please press this button and follow the instructions.

As soon as you have completed your self-registration, the relevant colleagues will be informed and can activate access.

If you have any questions, please contact supplier@huf-group.com, as the system is still being tested and support is not yet fully available.

Kind Regards

Huf Hülsbeck & Fürst GmbH & Co. KG
