To whom it may concern,

After careful review of all product documentation by the regulating body of Chile, Subsecretaría de Telecomunicaciones (SUBTEL), it has been determined that the equipment described below will not require homologation in Chile due its "Receive-only" nature.

**Manufacturer: Huf Hulsbeck & Furst GmbH & Co. KG**  
**Product Name: GM MY20 RF Receiver**  
**Model: HUFGM7190**  
**Brand: Huf**

Please let me know if you have any questions.

Kind regards,

Nico Lutz  
Project Manager
