

We are a leading developer and manufacturer of mechanical and electronic locking systems as well as car access and authorization systems for the global automotive industry. Founded in 1908 in Velbert, Germany, we are an independent, family-owned company with around 7,300 employees at locations in Europe, America and Asia and achieved sales of more than EUR 1 billion in the financial year 2022.

Junior System Developer – Electronics/ Smart Door Access Products

Overview: In the automotive sector, mechatronic systems are crucial for pioneering features that blend mechanics, hardware, and software. We're looking for a System Developer in Timisoara to join our product development team, particularly focusing on Electronics/Smart Door Access Products, with the guidance of a senior engineer.

Key Activities

- ▶ Assist in the design and development of automotive systems
- ▶ Support senior engineers in testing and troubleshooting system components
- ▶ Collaborate with cross functional teams to gather system requirements and specifications
- ▶ Document system design, changes, and issues

Desired Profile

- ▶ University Degree (Communication engineering, Electronics, Computer Science, Informatics)
- ▶ 0-3 years of experience in a comparable role in the automotive industry
- ▶ Familiarity with Requirements Engineering tools
- ▶ Basic knowledge of embedded electronics
- ▶ Strong team player with an open-minded attitude
- ▶ Effective written and verbal communication skills in English and native language
- ▶ Ability to prioritize tasks and stay organized

Benefits

- ▶ Induction and training programs that provide you with all the knowledge to excel at the workplace
- ▶ Young, professional, and dynamic team
- ▶ Competitive salary and flexible benefits (sports, wellness, transport, holiday reward etc.)
- ▶ Health and well-being (medical care, fruits day, lunch vouchers etc.)
- ▶ Professional development both technical and managerial
- ▶ Increased work-life balance (flexible working hours and mobile work, extra vacation days)
- ▶ Special fidelity package
- ▶ Modern and central working facilities (contemporary offices, relaxing and entertainment areas).
